

YOUNG SPOKESPEOPLE

Speaking and standing up for Scouting!

Do you know an Explorer Scout (aged 14-18) who is keen to promote the Movement and learn more about the media? The 'Scout Speak Up' course trains Explorer Scouts to become confident Young Spokespeople. They will find out how to talk to journalists and get their message across in front of the camera.

- Engage in and practice print, radio and TV interviews
- Learn about advocacy, how to plan and carry out campaigns
- Develop in communication, presentation skills and self-esteem
